

Fortschritte in den pharmazeutischen Wissenschaften I / II, Pharmaceutical Sciences

Guidelines of the course

- A maximum of 5 students can attend every semester
- Participating twice is feasible (though not recommended), provided that the max number is not reached; students who have never attended will be given the priority
- Attendance to Progress Reports is on voluntary bases
- Students are asked to actively discuss and to present a paper once; attendance without presentation does not grant credits/grades
- The course is held in English

Seminars take place every Friday at 8:45am in the seminar room C4.005.
